"The Beauty and Courage of Sudan: Why a Dream of Peace Is Possible"

St. Paul's United Methodist Women are having their fall mission study on Saturday, November 7 from 8:30 A.M. (beginning with registration, fellowship and coffee, etc.) to 2:30 P.M. The study is open to men and women alike and is in conjunction with the University United Methodist Church UMW. Bring a sack lunch, a notebook and your Bible.

This study gives a broad view of the historic and present situation in Sudan. It looks at the country's main ethnicities, religions and languages, touch points and possible causes for the wars; the way Sudanese women are contributing to the peace process and to the culture as a whole; a critique of the severe impact of colonialism and current challenges; and some ways in which people of faith can embrace and affirm the Sudanese people.
