

St. Paul's United Methodist Church

April 23, 2024

Our 2024 Seniors will be honored Sunday, May 19

Individual laundry baskets are in the Commons with their names on them. Please add to the baskets, gifts or gift cards that students can use if living in a dorm.

Jared Barajas
Organ Mountain High School

Jared Barajas is graduating from Organ Mountain High School. He wants to attend New Mexico State University. He plans to major in criminal justice and complete a minor in psychology, and then join the FBI as a special agent. He has played on the marching band drumline for 4 years as well as the drum set for jazz. His favorite memory was getting to meet new people during VBS even tho he was shy, Matthew 6:34 favorite Bible verse.

David Cooper
Las Cruces High School

My name is David Cooper and I attend Las Cruces High School. My plans are to major in Political Science/Pre-law at the University of New Mexico. My favorite church memory is playing trumpet in the St. Paul's Orchestra.

My name is Jace Jimerson, I will be graduating from Mayfield High School. In the fall I will be attending NMSU for a degree in wildlife conservation ecology. I am also working on my private pilot license and hope to acquire my commercial pilot license by the time I graduate from college. After college I plan to work for New Mexico Game and Fish as a game warden. Growing up in St Paul's has provided so many amazing memories, from attending services to participating in Vacation Bible School and eventually helping put it on, as well as various fundraisers. Although, my favorite memory has to be youth 19. One of my favorite bible verses is Deuteronomy 31:8-9, "The Lord himself goes before you and will be with you; he will never leave you nor forsake you. Do not be afraid; do not be discouraged."

Jace Jimerson
Mayfield High School

Hello, my name is Katie Menges, I am graduating from New Mexico State University with a Bachelors in Science of Nursing and a Registered Nurse license. My plans are to stay and help the community as a critical care and emergent care specialist. I want to work in the Emergency Department and cross train into the Intensive Care Unit (the best of both worlds). As a recent stroke survivor I have a passion for patient care and want to help those in need and provide a helping hand to people during their toughest times. I live my life with compassion as said in 1 Corinthians 16: 14, I will "do everything in love." My favorite memory at church is the Spudtacular! I enjoy spending time with the church community and singing in an awesome church choir! Everyone is so welcoming and loving. I look forward to making beautiful music with friends every week and helping to spread God's love and joy.

Katie Menges
New Mexico State University
